

# Dohne Request Form V3

## Contact Details:

Flock Name:	Flock No:	Flock Prefix:
First Name:	Surname:	
Address:		
Phone:	Mobile:	
Fax:	e-mail:	

## Data Processing Options: Please select your option from the following three with a cross (X)

<b>1. Data from stock management software or in Microsoft Excel.</b> (i) Prepare & submit data to Sheep Genetics, including additional data for sheep already submitted, (ii) add data to Dohne Database, and (iii) conduct Dohne Association Bylaws Quality Assurance. <b>Note:</b> This price is based on data submitted from an export from stock management software or Microsoft Excel with 16 digit IDs. Error identification and corrections could attract additional costs.	\$85	
<b>2. Any other form of data submission – short tag IDs, multiple files, hand written data</b> (i) Prepare and submit data to Sheep Genetics, including additional data for progeny already submitted, (ii) add data to Dohne Database, and (iii) conduct Dohne Association Bylaws Quality Assurance. <b>Note:</b> Error identification and corrections could attract additional costs.	\$90/hr	
<b>3. Errors: Identification and corrections</b> Error identification is done as part of data inclusion onto the database, identifying a small number of errors in data and reporting back to breeder is included in above costs. Large numbers of errors and <b>any corrections to amend errors</b> will attract additional costs at \$90/hr.	\$90/hr	

## Data: Details of the progeny group of the sheep being supplied.

Name for the mating group:	Sex: M or F
Dates of lambing: Start:    /    /	Finish:    /    /
Is the following supplied?	Sire and Dam: Yes or No      Lambing records: Yes or No
<b>Dates for data collection are included in the data export Yes / No</b> If no please fill in below	
First Body WT:        /    /	Second Body WT:    /    /      EMD/Fat (optional)    /    /
Classer's Grade:     /    /	Fleece Weight:       /    /      FD and CV:               /    /
Visual Scores:        /    /	Tip shear:            /    /      Other: _____    /    /

## Quality Assurance Declaration: Yes (Y) or No (N) for this mating group.

<b>Have the dry ewes and dead lambs in the drop been sent with this data?</b>	
Was each lamb's pedigree, date of birth and birth status recorded within 14 days of birth?	
Were all "uninjured" progeny in this group retained and reported for the assessed traits?	
Were all progeny in this group assessed for each trait on the same day?	
Have all other ADBA requirements been carried out correctly?	
Did an approved ADBA Classer carry out the assessment in the appropriate way?	
Will the group's Assessors Report be submitted along with their performance records?	
Are all progeny that were graded as "C" included in the data submitted?	
Were scores done according to the procedures in the 'Visual Sheep Scores' booklet?	
Were all progeny managed the same and together from 14 days after end of lambing?	
If all the progeny were not managed together record in your data the sheep in management groups A, B, C, etc and describe below the difference between the groups.	
A:	
B:	

**Reports: Please select the type of report you would like to receive.  
Select your option/s from the following list with a cross (X)**

<b>Report</b>	<b>Cost</b>	<b>X</b>
<b>1: No Report Required from dohne.data</b>	\$0
