

WA SIRE DAY

&

National AGM

To be held at Muresk, Northam, WA

Friday 22nd August 2014.

All registered Dohne Stud Breeders are invited

The WA Sire Day gives local and interstate Dohne Ram Breeders the opportunity to inspect stud sires and potential stud sires from most of WA's Dohne studs, in the convenience of one location. Combined with the National AGM and a visit to some of Australia's best wineries will make your trip West worthwhile.

For more information on this great concept, please contact:

President: Rhys Parsons at rhysparsons@westnet.com.au or

Secretary: Ross Fenwick at ross.fenwick@bigpond.com

Please RSVP your intention to attend by 14th July so the most suitable transport options from Perth and return can be arranged.

Lots of sires---one location

Transport and Accommodation: Northam is located 100km east of Perth. If enough members attend, a bus may be organized to take you to the sire day and AGM and return you to Perth. If you are seeking a place to stay, we could recommend the Novotel Vines Resort (08 9297 3000) in the Swan Valley, the heart of Perth's wine region, a lovely place to visit and sample the wines, and a very nice golf course!
