

RamSelect Workshop

Confident ram selection and purchase

Rams are purchased on one day of the year but their effect on your flock lasts for many years

Make sure you buy the right genes for production, quality and disease resistance

More wool * More meat * More lambs

MERINOSELECT and **LAMBPLAN** breeding values help to select rams that will breed the best progeny for you

RamSelect - a 1 day practical workshop building confidence to:

- select rams for all breeds
- define your breeding objective
- assess rams using figures and visual assessment
- prepare for the auction or selection day
- invest in rams for production and profit
- Grazing management for Ram health
