## Council Report

### Global Dohne Conference & Tours

The Global Dohne Conference & Tours were a resounding success with nearly 200 delegates attending including a large international contingency. The conference was an enormous undertaking. Council takes this opportunity to thank all those who helped organise, support, our unparalleled presenters and sponsors.

The National Ram sale held during the conference formal dinner allowed domestic and international studs to compare and acquire seed stock from many of Australia's studs. The sale topped at \$20,000 for a Roseville Park Dohne sire and averaged a healthy \$4,815.
