Council Report

All members are reminded to be fully compliant before their ram sales commence for 2019.

This includes ADBA membership, Sheep Genetics membership, Brucellosis accreditation as well as all outstanding accounts with the ADBA being settled. Council appreciates your compliance to the Association and wishes all members well in their upcoming sales.

AGM Report

The 2019 Annual General Meeting was held on Saturday night 20 July at Bendigo, Victoria, in conjunction with the Australian Sheep and Wool Show. This event was well supported by members, with Australian Wool Network as our guest speakers prior to the AGM. The association would like to thank AWN for their presentation. After two years on Council, Murray Rogerson has stepped down. Murray's contribution to the breed has been enormous; three years as Victorian president and numerous as Vice President and four years heading up the Show and Sale Subcommittee. Although only a one term Councillor, Murray's input has been invaluable and gave three in depth Power Point presentations during his tenure.

2019 Council;

President John Nadin, Vice President Rachel Browne, Councillors Allen Kelly, Rhys Parsons, Greg Hall, Don Mills.

Australian Sheep and Wool Show Report

With a new layout to the Dohne Marquee, traffic flowed well around the sheep and fleeces on display.

The Dohne show bags were a huge hit with approximately 400 being handed out, these show bags contained the 2019 Dohne Journal and the Dohne marquee show booklet. Again this year record numbers of people visited the Dohne display over all three days. Congratulations to the show committee for running such a successful event.

Thoughtout Friday and Saturday guest speaker Dr. Ben Linn DVM, BSc (V.B) Veterinary Consultant, from The Mackinnon Project conducted Tech Talks which were very educational to visitors.

Sheepmatters, Anthony Shepherd had a display in the Dohne marquee showcasing the SmartShepherd system and before leaving on Saturday afternoon Anthony did a short presentation on the SmartShepherd system.

Moama Anglican Grammar School, teacher Danielle Garden and her agriculture students assisting studs during the showing of the their Dohne rams, thank you for your assistants.

This year's showing first round was conducted in states, Victoria, New South Wales and South Australia "State of Origin" and then winners from each state went into the National Champion judging. Congratulations to all studs receiving ribbons, for the showing and fleece competitions.

A big thank you to our judges, ADBA Classers Rick Power, Michael Elmes, Phil Venning, and Elders associate judge Charlotte Treloar and recording judge Elders Tegan Falkner and also Elders Tom Penna for being master of ceremonies.
